To whom it may concern,

It has been a great pleasure working with Caroline "Callin" Öhrvall!
I chose her from a great number of actresses for one of the leading roles
in my latest feature film "Maria Larsson's Everlasting Moments". She is
not only a very talented and promising actress but also a wonderful
team-member, filled with positive energy and great warmth. Her acting
comes naturally; she has a great presence and takes on every scene
with equal seriousness and ambition.

I can highly recommend her!

If you have any further questions regarding Callin you are welcome to
contact me, my number is +46-410-24311.

Best Regards,
